A lasting legacy at Martinshaw Primary School

After Martinshaw Primary school's participation in our tree planting at Butler's Field during May, where 60 trees were planted to provide year round colour to commemorate the Queen's Diamond Jubilee, the school decided to take advantage of our tree planting "A Lasting Legacy" initiative. Nine trees were planted and will be nursed over the years by the school gardening club.

Village Hall car parking issues

We are now close to resolving the issues over how the maintenance of the car park should be financed. Next month both parties will meet again to dot the i's and cross the t's on a ten year deal. If agreed it will contribute funding for future maintenance and keep the car park available for use by the Parish Council and local residents.

Meetings : Council Meetings 1st Oct, 5th Nov, 3rd Dec at 7.00 pm
Planning : 3/10, 17/10, 31/10, 14/11, 28/11 and 12/12 7.30 pm
Parks & Cemetery – 8th October 2012 at 5.00 pm

Cemetery subsidence – some visitors to the cemetery may have been concerned about the apparent disturbance of some of the graves. Unfortunately the adverse weather conditions this year seem to have resulted in some subsidence to 23 graves a small number of which have dropped by 6-8 inches. We have taken remedial action immediately with additional top soil and turf.

This summer we have opened a public consultation on a proposed dog control order for the land known as Beacon Field. Full details can be found on the web site www.groby.com
