Dear Sir or Madam

### **NOTIFICATION OF WORKS – M1 JUNCTION 21 TO 23A**

I am writing to let you know that we will be carrying out essential maintenance work to the vehicle restraint system (VRS) along the M1 junction 21 to 23a.

During this scheme of work, we will be carrying out maintenance, and replacing where appropriate, the barrier along the central reservation. This will reduce the need for future maintenance and increase the lifespan of the current VRS.

#### **When will the work take place?**

Work is due to start on **Monday 10 October 2022** and will take approximately four months to complete. The work will be carried out between **8pm and 6am, Monday to Friday**.

Please note that all our planned roadworks may be subject to change due to weather conditions or unforeseen circumstances.

#### **How will the work affect traffic?**

To maintain a safe environment for our workforce and customers, lane closures will be used during the works.
