

Beat 29 Newsletter Market Bosworth and Surrounding Villages

Introduction

Your Dedicated Neighbourhood Team (DNT) is a group of local Officers dedicated to serving your community. The team is made up of Officers based in your area, supported by the wider Policing family.

From left to right:

PC 658 Charles

PCSO 6018 Muldoon

Sgt Paterson

PC 1242 Cunningham

PCSO 6501 Sidiropoulos

#YouSaid - What matters to you

Your priorities are chosen quarterly and are based upon information gathered through NHL (Neighbourhood Link), social media, local

engagement, and emerging crime trends. You have stated that the following key themes are important to you.

#YouSaidWeDid

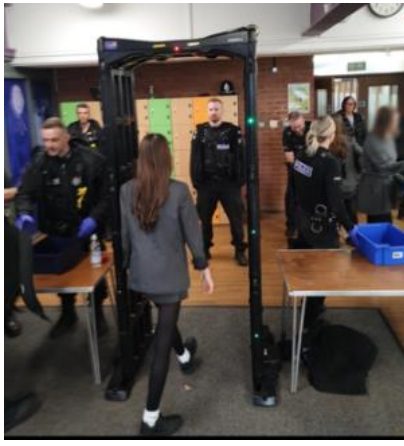

Priority 1: ASB remains one of the beat priorities.

Priority 2: Road safety – numerous reports of overweight vehicles and speeding motorists within the villages. This is being addressed as best as we can as a small team. The issue remains one for many areas and we understand the concerns. We continue to complete speed enforcement days with the assistance of volunteers and our road safety team. The reality is that longer term solutions are key with permanent speed calming measures to be implemented. Highways should be contacted also with any concerns. We will continue to disrupt and enforce wherever we can.

Priority 3: Rural crime including burglary will always be a priority for the area of NH29 beat. We continue to work closely with our partners and ensure that local contacts throughout the villages are kept up to date. With proactive patrols and having specialist trained wildlife officers, we are able to focus on the issues whose crimes are more specific to our rural beat locations. Due to the large geographical rural area that the beat consists of, it is important that we offer crime prevention advice and keep our villages updated with current threat and crime trend patterns.

#WeDid - What we are doing

During November we took part in a number of events to highlight once again 'Op Sceptre', the National knife crime week. This is a chance for police forces across England to focus on knife crime, raising awareness of the risks and engaging with people to prevent them from carrying a weapon and protect them from others that may choose to do so. As part of this awareness week Officers visited Bosworth Academy in Desford where some students took part in an exercise passing through metal detectors to check for weapons. A huge thank you to all the students who took part, it was great to meet such amazing young people and break down some barriers we face with our younger generation. Another thank you to Hinckley and Bosworth Community Safety Partnership for funding the giveaways.

Schools in Bosworth were being monitored for poor parking and speeding during drop off and pick up times in an attempt to keep the children and pedestrians safe. Whilst in attendance, a car with intelligence for drug driving passed by. The vehicle was duly stopped where the driver successfully passed our drug wipe challenge testing positive for Cannabis.

We also attended Thornton in order to educate road users around the dangers of parking wholly on pavements and excessively close to junctions. A reminder to all you must not park within 32ft from a junction, the junction of Hawthorn Drive onto Main Street was significantly congested with vehicles parked dangerously. This causes significant risk to other vehicle users and pedestrians collecting their children on foot. Parking a little further away from the school and walking to the location is a much safer and considerate option.

This month Officers from the beat team have been supporting Hinckley Police as the town welcomes the Tin Hat Christmas Fair. During our presence in Hinckley we also had to attend a report of loose goats in Groby - two adventurous billy goats were taking a trip down Newtown Linford Lane but were quickly located, secured and placed in a safe location.

Ratby Co-Op has had an increase in shop thefts at their store. Officers have been in contact with the store and visited to try and identify potential suspects. The investigation is still ongoing.

Meet your Team - Upcoming public engagements

Druck Christmas event in Groby

2 Fir Tree Lane, Leicester LE6 0FH

12-2 on the 7th December.

Meet your local officer at Newbold Verdon library

Sparkenhoe, Main St, Newbold Verdon

10-11am 20th December 2024
