Groby Parish Council is looking to recruit someone with a confident, out-going personality who can work with the minimum of supervision, display initiative and have a pro-active approach to carrying out general maintenance, gardening and some cemetery duties within the parish of Groby.

The successful candidate may not have formal skills or in-depth experience, but needs to display a genuine aptitude for this type of work. The role requires that play areas, the cemetery, open spaces and council property are maintained to a high standard for the benefit of all users.

As well as being hard working and conscientious, the applicant must be able to demonstrate a pride in their approach to their duties and have use of their own vehicle (for which a mileage allowance will be paid)

An opportunity for a trainee grounds-person may soon be available.
