## What matters to you

### #YOU SAID, WE DID

#### **You said: Anti-social behaviour was a priority.**

Section 59 warning has been issued to a number of motorbike owners in Groby and Ratby area. A section 59 warning is issued to any member of public that has caused harassment, alarm or distress to any person whilst being in control of a mechanically propelled vehicle in a public place.

A further incident would then give police powers to seize the vehicle or any other vehicle he/she may be driving.

Warning letters have been sent to youths who have committed Antisocial Behaviour in the Desford area.

#### **You said: Road safety continues to be an issue.**

Speed check operations were organised across the beat. Multiple cars were stopped. In total, one ticket was given to a driver for no MOT and words of advice given to multiple drivers due to their speed and manner of driving.

#### **You said: Rural Crime is priority.**

Now that the harvest is underway and fields are being cleared we will see an increase in reports of hare coursing and people driving around fields. Not only are their animal cruelty issues associated with hare coursing, but often damage is caused to crops, gates and land which can be costly to the farmer which is ultimately passed on to the consumer. Please report all suspicious incidents to us.

## What we are doing

We have listened to you and the concerns you raised and will prioritise the following in September 2023.

#### **Priority 1: Road Safety**

**You said:** That Road Safety issues are your number 1 concern.

**What we are going to do:** Maintain regular speed operations across the beat and continue to seize vehicles that are driving on our road with no MOT and no Tax.

#### **Priority 2: Antisocial Behaviour (ASB)**

**You Said:** Anti-Social Behaviour including use of motorbikes on open spaces was an issue to you.

**What we are going to do:** Continue to patrol across the beat to prevent any ASB issues, as well as continue to work closely with our partners.

# News

PC 1242 and PC 4579 had a great time attending the Market Bosworth Fire Station open evening this month.

This was an opportunity to view the future plans for the extension that will soon be happening at the station and to talk about the benefits that it will bring. Continuing to further develop our working relationships as emergency service responders in Market Bosworth and the wider community.
